YOUR VOTE HAS POWER

During every local election, LINX proudly invites all municipal candidates to connect with our clients, share their vision, and answer the questions that matter most to our community.

It's a chance for candidates to hear directly from the people we serve and for our community to engage in meaningful dialogue about the future of our region. Follow us on social media for updates and highlights from these important conversations!

Employer of the Month

This partnership has created a welcoming and inclusive environment where they can build valuable skills, gain hands-on experience, and learn more about emergency response. The firefighters and staff have been supportive and encouraging, making this a meaningful part of our clients' week. We are grateful for this strong partnership with the county and proud to see our community come together in such a positive way.

Client of the Month – Bouba

Bouba is a joy to support here at LINX with his easy going attitude and willingness to engage. Bouba is driven, confident, and a role model for both inside LINX and outside in the community. Bouba is a very valued and appreciated member of his workplace. We are happy to celebrate Bouba as client of the month!
