Our Mission

Through connections to the community, LINX strives to enhance the quality of life for individuals with developmental disabilities through education, employment, residential, and outreach services.

Monday, October 13 - CLOSED for Thanksgiving
Thursday, October 30 - Halloween Social

🍁 Welcome to the October Edition of the LINX Connect Newsletter! 🍁

As the leaves turn and the air grows crisp, October brings a season of reflection, renewal, and connection. At Leduc LINX Connect Centre, we're embracing the spirit of fall with fresh initiatives, community highlights, and stories that inspire. Whether you're joining us for the first time or have been part of our journey for years, we're excited to share what's new, celebrate our collective progress, and look ahead to the opportunities this season holds.

Leduc LINX Connect Centre is now officially accredited as a Level 2, Complex Needs, Children's, and Respite Service Provider with ACDS!

This is a significant milestone for our organization. Level 2 CET Accreditation is awarded to service providers who not only meet accreditation standards but go above and beyond. It recognizes innovation, excellence, and a commitment to exemplary services for individuals with developmental disabilities. Achieving Level 2 means we are excelling in all required areas while also meeting 20 additional indicators that highlight advanced policies, procedures, and practices that exceed sector expectations.

Congratulations to all of you! This achievement belongs to the entire LINX team!
