Board Chair Report

Hello, All. I trust this finds you thankful for the end of winter and amazed at the beginning of the new season, spring! While often, the day to day things at LINX seem to be fairly routine, there is always a lot going on and with great enthusiasm, I might add! My visits there have always left me with a feeling of deep appreciation for our dedicated staff and volunteers, as well as for the clients whom we serve.

I hope you don’t mind if I bring to your attention an upcoming event that urgently needs your consideration (although truthfully, I hope you do more than “consider” this)! I would ask you to mark on your calendars our upcoming annual general meeting. We hope to plan it as a potluck meeting – we are looking forward to tasting your favorite recipe - maybe it’s a tried, trusted and true dinner roll or perhaps is a “to die for” dessert! However, of great importance at this meeting, is the opportunity to elect new members to the LINX board. We cannot operate without a board and the board must be representative of our community, our passion, and our commitment to serve the clients of LINX. If you are considering a volunteer position on the Board, I would love to hear from you prior to the meeting. The date for this important (and tasty!) event June 17, 2014 – please mark it on your calendars! I look forward to seeing you there. In addition, PDD will be there making a presentation of how things are progressing with them. They will be available for questions as well.
~ Ed Boender, Board Chairperson

Thanks in advance!!

And the winner is... Hearts and Heroes!

Our intention was to run a “top five” list for people to vote on. However, this name was so strongly recommended by clients, families, staff, and other friends of LINX, that we felt that we had a clear winner.

Thank you to all those who suggested some amazing names for us to choose from, and thank you to Annis Mattiussi for giving us our name for our new fundraiser!!
It is so great to see April. April is a continuation of meeting the goals I set out in January: to get training for staff. April 4th we are learning all about Sensory with OT Jennifer from the COAST team. The 5th we are having a First Aid Recertification, the 17th we are learning about “It’s OK” and Universal Language from Narda on the COAST team, April 14, 15, 16 the last MANDT System before I recertify with the new resources, April 24 we will be having Writing SMART Goals and Objectives at a SHP home (pot Luck). Wow another busy month! Everyone who needs to will be completing FOIP by the end of the month using online training.

An update on the search for homes: 2 people will be moving in April! A few more homes to go. Please post and pass the poster at the end of this newsletter! If you would like to change your life and someone else’s too please contact me at 780-980-9423. If you know someone who would be a great Support Home Provider or Respite Provider please send them to see me or share my contact information.

I will be in attendance at the Job Fair being held at the Royal Canadian Legion in Leduc on the 29th come on by and say hello.

MANDT Moment
A big shout out and thank you to CCS Manufacturing for letting us use their board room, lunch room, and Hall way to get our March MANDT System training completed! Thank you so much!! We could not have gotten it done without you.

Inviting Cooperation:
- **Describe the problem in neutral terms.** Avoid nagging or complaining. “There is a wet towel on your bed.”
- **Give information about the problem.** “The towel is getting your blanket wet.”
- **Talk about your feelings.** “When I see your wet towel on your bed, I worry about you sleeping in a wet bed.”
- **Say it with a word and/or a gesture.** Point and say “The towel.”
- **Suggest alternatives.** “We’ll go to the park as soon as the towel is hung up.” “Why don’t you hang up the towel while I start the car?”
- **Offer your assistance.** “How can I help?” “If you pick up the towel, I will get the laundry basket.”
- **Ask the person to help you.** “Let’s clean the bedroom now. Will you pick up the towel off the bed?”

**National Volunteer Week is April 6 – 12, 2014.**

National Volunteer Week was created to raise awareness of the vital contributions volunteers make to our communities and to honour those exceptional individuals. You can view volunteer opportunities and applications at [www.leduclinxconnect.ca](http://www.leduclinxconnect.ca).

LINX volunteers will be attending the Volunteer Appreciation Banquet April 10, 2014. Thank you to the volunteers who contribute to the success of the programs and services offered at LINX. We happily nominated our own Marvin May for Leduc’s honour of Citizen of Distinction. We appreciate all those who helped with the application (including contributions from Second Glance and the Leduc Bottle Depot), and know that he is the City’s best nominee. Good luck Marvin, and we hope your name is called that night!

April 22 will be my last day with LINX. Thanks again for allowing me to volunteer at LINX. It has been meaningful and rewarding… I will miss being here and getting to know the staff and adults at LINX.

**Industrial Netmedia**

Choose INM for expert Web Design, Internet Marketing, Database Development.
What is a Support Home Provider?

They are just regular people who would be interested in having someone with a developmental disability live with them. The level of independence varies client to client (some need regular supervision; some are fairly independent and transitioning into their own homes one day). **The money earned for a support home is tax exempt.** You would also receive tax exempt room and board from the client. We currently have multiple clients requiring a new support home provider. Most clients attend a day program from 9 to 4 Monday to Friday. Clients come with different amounts of respite available. Training is provided.
