Executive Director Report

Although it has been very hectic since I have joined the LINX team, I would like to thank all of you for your support. I have been trying to get brought up to speed on the general direction of LINX, with updates and support of the staff, management, board members and of course clients. It has been very surreal reconnecting with so many people I have known in the past, and meeting many more. Either way, I encourage everyone to pop in and say hello to catch me up, or introduce and tell me about themselves. I look forward to hearing from everyone.

Just some quick updates: A reminder that our 3rd annual Gingerbread Gala is quickly approaching on November 12. I'm excited to attend my first one, as I have already had such amazing feedback on how wonderful they have been in the past. Also we would like to welcome Cathy Norberg as our new Volunteer Coordinator. Cathy will be working hard to recruit volunteers in all aspects of the agency. Please feel free to contact her with any questions you may have. In closing I would like to take this opportunity to thank everyone in there willingness and support in bringing me to the team. Residential Report

Our monthly residential meeting was very productive; we are currently updating caregiver's files and following up on questions that have been brought to our attention. We will be having a training day on October 15th for the caregivers to help improve their skills on behavioral plans as well as skills programs. Ronni
