EMPLOYER OF THE MONTH: COSTCO WHOLESALE NISKU

Costco is a new LINX employer, however, they have been wonderful to work with so far and we are excited for what the future may bring with them!

CLIENT OF THE MONTH: CURTIS

Curtis has been employed at the same place for the last 15 years; he is an inspiration. We love hearing about his travels, and we enjoy his wonderful sense of humor.

What do you like about your job?

I work at Walmart and I have lots of friends there. I like to put the stuff from the carts back on the shelves. I like seeing what new movies come out and I like wearing my yellow Walmart vest that I got in Mexico.

Where is the furthest place you have ever travelled ?

I love going on cruises and to Mexico. The furthest place I have gone is Iceland and Holland. Next year we are planning on going to Africa to see the animals. I'm really excited.

What is your favourite video game?

I love playing on my Nintendo Switch machine. I have lots of games but my favourite ones are anything Super Mario. Super Mario Wonder is my favourite.

STAFF OF THE MONTH: ETHAN

Ethan is a hard worker and seems eager to learn new tasks when the opportunity is offered. He is a great addition to our LINX team, and we really appreciate his hard work and dedication.

If you could travel anywhere in the world, where would you go?

I would love to travel to Iceland, it's where my family heritage is and I'm very interested in learning more about it.

What's your favourite book?

Blood Meridian, I love that book, it's a very grim reality and it is based on a true story.

What's your favourite season?

My favorite season is winter because when I was younger, I was a boy scout and we used to camp in the forest in the wintertime
